Enclosure No. 193-A4-53, dated 6th June 1953.

Sir,

Sub: Jails - Central Jail, Bellary - Contract 1953-54 - Petition from Vegetable contractor Kutbuddin Sahib - Request for revision of the contract rate.- Forwarded.

Transferred from Pr.I 12110

I forward, herewith, the petition in original preferred by Sri Kutbuddin Sahib, contractor of the Central Jail, Bellary and the Alipuram Jail, Bellary, for favour of disposal.

2.The market rate at the time of entering into contract was 4 lbs per rupee. In view of the large disparity between the market rate and the rate of 12 lbs.4 oz., per rupee offered by the petitioner, he was asked to state whether he was agreeable to supply the varieties of vegetables specified in the tender notice viz., Bringals, Pumpkin, Radish, Ladys finger, Rib gourd, snake gourd, Bunch beans, Cucumbar, Tomatoes green, Tomatoes ripe, sweet potatoes, Sorakai (bottle gourd), Ash pumpkin, Beans, etc., specified in the tender notice and the petitioner agreed to supply the above varieties according to the seasons and their availability

(p.t.o)

in the market. The present market rate as reported by the Tahsildar is 6 lbs per rupee. From the above it is evident that the contractor wanted the rate of 12 lbs., 4 oz. per rupee offered by him to be accepted and that he had an intention of applying for revision later on. Since the present market rate is favourable, compared to the market rate which prevailed at the time of entering into contract, I do not recommend any revision in the contract rate.

Sir,

Sub:- Supply of Vegetable to all the Jails, Junior Certified school and Government Welesly T.B. Sanitorium, Bellary revision of rate - requested.

******

I beg to submit that I am successful tenderer for the supply of vegetables to the following Institutions during the year 1953-54 and the rates accepted are noted against each Institution.

Name of the Institution:-	Rate approved.
1) Allipuram Jail Combine Bostal School, Bellary:	12 lbs 1 oz per rupee
2) Central Jail Bellary	12 " 4 " -do-
3) Govt. Welesly T.B.Sanitorium, Bellary.	8 " -do-
4) Junior Certified School, Bellary.	10 " 15 " -do-

2. As the conditions in Bellary District have become very difficult due to continued failure of monsooms which has resulted in famine and political atmosphere prevailing in Bellary, also due to severe separation of Andhra State. I am experiencing great difficulties to obtain and supply vegetable to all the a ove said institutions at different rates and consequently incurring financial loss on a very long scale. Some of the villages from where I have been getting are dry for want of rains and the vegetables crops have failed. The market rate for vegetable has gone up to 4 lbs per Rupee. The rate of Toor Dhall is very high so every citizen demands vegetables only, which has also resulted in the high price of at 4 lbs per rupee in the local market.

3. Therefore under the present circumstances I beg to request the popular Government to come to my riscue and save me from the financial Bank craptucey by sanctioning a flat rate of at least 8 lbs per rupee for all the institutions in Bellary.

(P.t.o.)

4.

For which I shall be grateful to Benign popular Government.

Hope to receive early and favourable orders.

Thanking you,

Yours Faithfully,
Kutbuddin

Respected Sir,

Sub:- Supply of Vegetables to all the Jails, J.C. School - Govt. A.T.B. Sanitorium, Bellary revision of rates - Requested.

Ref:- My petition dated 25-4-1953.

I once again represent the following few lines for favour of kind consideration and favourable orders.

I am a contractor for the supply of Vegetables to the local Government, Institutions at Bellary for the current year 1953-54.

At the time of tender during the January 1953 the Local fluctuating market rate was ranging between 7 lbs and 8 lbs and hence I offered my rate as shown against each Institution as follows:-

Name of the Institution:-	Rate approved.
1. Appalapuram Jail Combine Bostal School, Bellary.	12 lbs 1oz per rupee
2. Central Jail, Bellary.	12 lbs 4 " -do-
3. Govt. Melesly T.B.Sanitorium, Bellary.	8 lbs -do-
4. Junior Certified School, Bellary.	10 lbs 15 " -do-

With the fervant hope that the Vegetables would be cheap in the ensuring year. But due to the failure of monsoons in these parts and the scarcity of Water has become very acute and even the drinking water is not available in the town and villages,

from where I used to get fresh Vegetables during previous years. Further due to local disturbances in connection with the formation of Andhra State, most of the villagers have stopped their supplies to the local market in town which has resulted in the increase of rate of Vegetables in the market due to the recent increase of Government personals in town for maintaining peace and order.

In my petition dated 25-4-53 I requested the Government to revise my rate of Vegetables @ 8 lbs per Rupee for all the Institutions, lent so far I have not received any favourable reply.

I may also bring it to your kind notice that I am a legal contractor serving the Government for the past many years without any default during my period of contract which your goodself may be pleased to verify.

Under the circumstances explained in the foregoing paragraphs I request the benign Government to pass early orders in the matter and save this faithful contractor from heavy financial loss.

Thanking you in anticipation,

Yours faithfully,

Shuthuddin

Jails - Contracts 1953-54 - C.J. Bellary - Supply of vegetables by contractor - Revision of contract rate - Petition.

Petition from Sri Kutbuddin Sahib Bellary d. 25.4.53

pp 1-2 of

From the I.G of Prisons, letter no: 193-A4-53 d 6.6.53.

The petition at pp 3-4 of and the report of the I.G of Prisons at pp 1-2 of may be perused.

2. It is seen from the petition at p3 of that the petitioner, Sri Kutbuddin Sahib is a contractor for the supply of vegetables to the following institutions in Bellary for the year 1953-54.

para 3 p3 of

1. Abhyasam Jail cum Borstal School, Bellary
2. Central Jail, Bellary
3. Govt Wellesley T.B. Sanatorium, Bella
4. Junior Certified School, Bellary.

Ibid

The contract rates for the supply of vegetables to all the above institution has been given by the petitioner. He requests revision of the contract rates at a flat rate of 8 lbs per rupee for all the above institution due to failure of monsoons, failure of vegetable crops and rise of market rate of vegetables.

3. The report of the I.G of Prisons ~~shows that~~ is confined only so far as supply of vegetables by the petitioner to the Jails and Borstal Schools in Bellary are

concerned viz items 1 and 2 above. It is seen from the report of the I.O. that the market rate at the time of entering into contract with the petitioner was 4 lbs per rupee as compared with the contract rate of 12 lbs 4 ozs offered by the petitioner. In view of the large disparity between the market rate and the contract rate, the petitioner was asked to state whether he was agreeable to supply all kinds of vegetables specified in the tender notice and he has agreed to supply them all according to the seasons and their availability in the market. The present market rate as reported by the Tahsildar is 6 lbs per rupee. From the above the I.O. concludes that it is evident that the contractor wanted the rate of 12 lbs 4 ozs per rupee offered by him to be accepted and that he had an intention of applying for revision later on. Since the present market rate is more favourable than the market rate at the time of entering into contract, the I.O. has not recommended any revision of contract rate.

para 1 p 1

para 2 p 2

4. The Govt have very recently reviewed in a P.W.D. case the policy of ex-gratia payments as they thought that it might lead to discrimination and charges of favouritism and it was finally decided that no ex-gratia payment to contractor should be made. Last year, Sri T.C. Kandaswamy Pillai contractor for the supply of certain articles to C.G., Trichy

pp 9-13 of (W)

pp 7-11 of (W) petitioned to govt for revision of contract rate. The I.G of Prisons p 1 of (W) recommended the case for consideration of the govt. In view of the present policy of the govt, Fin strongly advised against the payment of ex-gratia compensation to the contractor. vide their note at pp 2-6 of (W). In the circumstances p 21 of (W) orders were issued in G.O.Ms.No.1047 Hlth dt 30.3.53 turning down the request of the contractor.

5. In the present case, the request of the petitioner for a flat rate revision of contract rate at 8 lbs per rupee for the supply of vegetables not only to the two jails but also to the Borstal School, Alipuram / Govt Fr Bo. hospital and Junior Basic School, Bellary may be turned down.
